

Na každou horní linku zapiš libovolně zvolené zvířátko. Potom jed' po trase a zjisti, jestli jsi se trefil(a). Pokud ano, odpověz kladně (Yes, it is), pokud jsi se zmýlil(a), zapiš zápornou odpověď (No, it isn't), a to na linku pod obrázek.

Is it a..... ?

The maze consists of a single continuous line that starts at the top left and ends at the top right. It winds through the page, passing by several animal illustrations. Below each illustration is a horizontal line for writing an answer. The animals and their positions are:

- Fish:** Located on the left side of the maze. Below it is a blank line.
- Chicken:** Located at the bottom left. Below it is a blank line.
- Dog:** Located in the middle-left section. Below it is a blank line.
- Rabbit:** Located in the middle section. Below it is a blank line.
- Mouse:** Located at the bottom center. Below it is a blank line.
- Cat:** Located on the right side of the maze. Below it is a blank line.
- Spider:** Located at the bottom right. Below it is a blank line.

Zapiš do křížovky názvy zvířat. Odpověz na otázku. Odpovědi zapiš ke každému obrázku. Obrázky vymaluj.

What is this ?

It is a

The crossword puzzle grid is composed of squares. A central square contains an 'X'. Arrows point from illustrations to the grid:

- A mouse points to the top square of the first vertical word.
- A fish points to the second square of the first vertical word.
- A dog points to the first square of the second horizontal word.
- A rabbit points to the second square of the second horizontal word.
- A frog points to the first square of the third horizontal word.
- A chicken points to the first square of the fourth horizontal word.
- A cat points to the first square of the fifth horizontal word.
